### Summary of reasons for decision:

This sexually explicit video promotes and supports bestiality and is therefore deemed to be objectionable under s3(2)(e) of the Films, Videos and Publications Classification Act 1993. The classification interferes with the right to freedom of expression set out in the New Zealand Bill of Rights Act 1990. However, this is an outcome that is consistent with Parliament's clear intention to prevent the availability of publications that promote and support the crime of bestiality.
